## **((BOLD)) Leader Speak**

**“We speak like leaders. Now our people follow.”**

—CEO, Billy Casper Golf

Leaders are only as good as the messages they deliver to their teams. If you notice that your employees are not as motivated as you would like, or if your meetings are met with lackluster response, it could be a result of HOW you speak, not WHAT you are saying. Learn to:

- ◆ Increase Your Impact
- ◆ Lead with More Confidence
- ◆ Advance Your Mission
- ◆ Engage Your Teams
- ◆ Woo More Clients

You don't need a major overhaul – just a few micro-actions to generate MACRO impact.

Find out how to communicate clearly and concisely with any audience.

Learn how to use your full measure of power and authority in your leader voice.

Discover how to plan and run efficient, effective meetings.

Watch productivity go up! Watch engagement increase – all by speaking and leading **BOLDly**.

Jan Fox says, “He/She who speaks best - goes to the top of the Leader Board.” You’ll see a direct correlation between your speaking proficiency and both - your audience response and your sphere of influence.

- ◆ Are you Believable?
- ◆ Are you On-Target?
- ◆ Are you Likable?
- ◆ Are you DARING?

Find out why researchers say you must develop these 4 basic bedrocks to rise to high quality leadership. Learn sustainable techniques to master **((BOLD))** Leader Speak.
