

JAN FOX

4x Emmy Winner – Inspiring **((BOLD))** Speaking

THE **BOLD** SPEAKER

The **((BOLD))** Speaker

WHERE WOULD YOU BE IF YOU:

- ◆ Increased Your Impact
- ◆ Fast-tracked Your Career
- ◆ Advanced Your Purpose
- ◆ Led More Clients to YOUR Close
- ◆ Brought More Power to Your Presentations
- ◆ Engaged Your Teams
- ◆ Spoke with Authentic Conviction

Researchers say **The ((BOLD)) Speaker** delivers *all* of those outcomes. It's not only **WHAT** you say, but **HOW** you say it that matters. What good are your mission statements or your best laid marketing plans if you can't *speak* them **BOLDly**?

Learn 4 new mind-shifts that cure everything from low grade timidity to full-out fear of speaking up in front of peers, to bosses, to groups, and in public forums.

BILLY CASPER GOLF: "Jan Fox's Speaker Training changed the culture of our company. We speak like leaders. Now our people can follow." *Peter Hill, CEO*

"I have seen 100s, maybe 1,000s of power points around the world. This is in the top 5%. Good. Really good. Original"

Sam Horn, Best Selling Author of POP!

Plus **((BOLD))** Speaking Quick Tips:

- ◆ Discover your personal power points – not on the screen – on your body!
- ◆ Learn one physical move that makes your new confidence almost palpable.
- ◆ Cure the **"uhms"**, **"errrs"**, and **"ahhs"** – your sure message blockers – once and for all.
- ◆ Figure out where your eyes should REALLY look. Angelina Jolie will show you, sort of, and you won't forget it.
- ◆ Work the room like a pro. Are you a Standing Target, a Hider, the Pacer with No Purpose? Find out what works.
- ◆ Stop "Stall Language" that keeps you from getting to your close – fast.
- ◆ Make your hands a deliberate part of your presentation. Get rid of "Dreaded Hanger Disease".
- ◆ Fix what you don't like about your voice type. Do you know it?
- ◆ Avoid the voice "Flat line".
- ◆ Cure "Death by Podium".
- ◆ Understand Q&A is not the enemy.
- ◆ Put the **POWER** in your Ppt.
