

## DC Area Intro for Jan Fox

If you have lived in the DC Metro area for several years, you may recognize JAN FOX right away.

She was a reporter / anchor at WUSA TV 9 for almost 20 years, an anchor in Portland, ME and a talk show host in Boston. She's a 4-Time Emmy Winner! It's pretty surprising that a dirty little radish stealer from a small town, made it all the way to reporting and anchoring in top TV markets.

YES! There is life after TV, so Jan reinvented herself – again - and started her speaking and coaching business – Fox Talks. Her hubby named the company, because he says, “She certainly does!”

Jan's signature program: *The BOLD Speaker – Increase Your Impact*, is a favorite on the speaking and corporate training circuits – IBM, ACCENTURE, Verizon, Banks, Associations, and more. She's a member of the National Speakers Association and comes with a long list of TV and Community Awards.

Her book, *GET YOURSELF on TV*, tells you exactly how to get attention for your business.

Jan lives in Bethesda, but knows her way across the big river, when Virginians call.

She loves golf, but talks a better game than she plays.

Little known fact – a couple of live wigglers got her the job at channel 9. You'll have to ask.
