

## JAN FOX INTRO

If you've lived or worked in the DC Metro, you'd recognize JAN FOX right away.

She was a reporter/anchor at WUSA 9 for almost 20 years, an anchor in Portland, ME and a talk show host in Boston. She's won 4 Emmys! Not to mention a long list of other TV and Community Awards.

YES! There is life after TV, so Jan reinvented herself, started her speaking and coaching business – Fox Talks. Her hubby named the company, because he says, "She certainly does!"

Jan's signature program: *The BOLD Speaker*, is a favorite on the speaking and corporate training circuits – IBM, ACCENTURE, Verizon, Banks, Associations, and more. "The best speakers go to the top of the LEADER BOARD!"

Her book, *GET YOURSELF on TV*, helps you get your business on the big screen.  
Little known fact – a couple of live wigglers got her the job at channel 9.
